

Women's Community Club to Hold Gala Lawn Fete on Thursday, July 14th

STREET DANCING IN EVENING FROM 8 TO 11—HAVERFORD AVENUE TO BE ROPED OFF FOR OCCASION.

Hark ye, fellow-townsmen! Have you just about decided that summer at home is a dull season, with no lively dances, "peppish" shows, or gay festivals to brighten the dull routine of work during these hot July days? Have you longed for the shore or the country where fortunate pleasure-seekers have nothing to do but plan delightful fetes for their amusement?

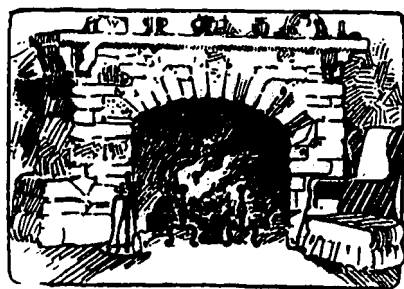

We know that you have, as has everyone who is human, and we therefore are overjoyed to be able to tell you of the wonderful surprise in store for you. Four of the ladies of the Women's Community Club, with a keen insight into just the sort of affair Narberthites are in need of at present, to help "drive dull care away" this warm weather, have planned a most remarkable and attractive Lawn Party, to which everyone, young and old, is most cordially invited.

The attractions are unlimited and varied. The scene of the revelry is to be the combined lawns of Mrs. W. M. Sibley, 507 Haverford avenue, and of several of the adjoining neighbors. The festivities will start at 2:00 P. M. and continue until 11 o'clock, during which time there will be pony riding for the younger guests, and attractively arranged sales of various articles for all, at tables representing any number of departments, from culinary to fancy goods.

Street Dancing Big Feature.

In the evening, dancing, to the swaying tunes of a lively orchestra, will be held on the lawns, sidewalks, and on the smooth concrete surface of Haverford avenue. The Community Club has secured permission of Council to close Haverford avenue below Shirley road for the evening. Autos will have to detour, so there will be no interruption of the enjoyment of this most novel and fascinating dance-floor.

And then, when you have danced, you will, of course, want to be refreshed, so what could be more desirable than a cooling plate of ice cream and a piece of delicious cake, right "at your service?" So you see that everything has been thought of for your entertainment and comfort, and the only way to learn in detail just how great the attractions here outlined really are to be, is to come and see for yourself. The ladies who have charge of this lovely Summer Fair are Mrs. H. F. Stevens, Mrs. Joseph Chappatte, Mrs. W. M. Sibley and Mrs. McClellan. Tickets, at the small price of 35 cents, including ice cream and cake, may be had from any of the above mentioned ladies, or from any member of the Club. Come early and take a peep, to see what it is like, and we guarantee your presence for the rest of the evening. Remember, a day of fun for Narberth—Thursday, July 14th, from two until eleven—a taste of everything nice.

THE FIRESIDE

A quiet Fourth.

"As hot as the Fourth of July" means something.

A. L. Jacobs and family have gone to Cape May.

Miss Dorothy Durbin is at Avalon, N. J.

We didn't even have a ball game on the Fourth.

Mr. and Mrs. James A. England and family are at Roselle, N. J.

Margaret Livingston is spending the summer with her aunt at East Northfield, Massachusetts.

Elizabeth England and Helen Caldwell are spending a week as the guests of Marian Humes, at Cape May, N. J.

Mr. and Mrs. James C. Hooper and daughter, Jane, have moved to Brooklyn, N. Y.

Do the children like to pony ride? Bring them to the Lawn Fete next Thursday.

Do you dance? The music will be jazzy at the Haverford and Shirley Road Lawn Fete, July 14th.

Have your fortune told! There will be a Palmist at the Lawn Fete on Haverford Road, July 14th.

Who will take the trip to the Great Lakes? You can find out at the Lawn Fete Thursday afternoon and evening, July 14th.

Mr. and Mrs. Jesse Hulse, of 213 Price Avenue, are receiving congratulations on the birth of a daughter, Miss Eleanor Hulse.

Those who could get out along the creeks in the deep ravines last Monday were indeed fortunate, for there it was cool.

Final Match in Tennis Tournament to be Played this Saturday Afternoon

RAPID PROGRESS MADE IN FOURTH OF JULY CONTEST—FRETZ AND FRETZ, NEW CONTENDERS, WILL MEET KIRKPATRICK AND STAPLES FOR DOUBLES HONOR—WILL START TO PLAY AT THREE O'CLOCK—JUNIORS' TOURNAMENT STARTS NEXT MONDAY

The final match in the annual Fourth of July Doubles' Tournament of the Narberth Tennis Association will be played this Saturday afternoon, at 3 o'clock, at the new courts at Haverford and Montgomery avenues.

It will be a good match and especially interesting, because it will bring together the "old, reliable" team of Kirkpatrick and Staples, winners and runners up in a number of past contests, and W. W. Fretz and R. I. Fretz, new members this year who, even this early in the season, have given ample evidence of their skill and ability as tennis players.

So it goes without further saying that this afternoon's match will be well worth seeing. Any one who is interested in good tennis is advised to be on hand promptly at three o'clock.

Rain Delayed Start

The tournament did not start last Saturday as per schedule, because the heavy rain early Saturday morning—Night Watchman Dick Fenno says it rained and he ought to know—made it impossible to roll and mark the courts that day. But bright and early Monday morning, the playing started, and the increased facilities of the new courts, made it possible to run off not only the preliminary rounds but the semi-finals as well before the Fourth was over.

Good progress was also made in the Consolation Tournament, which may possibly be finished this Saturday.

Next Monday the Juniors start their Singles and Doubles Tournaments, and the finals in both events will be played next Saturday afternoon, July 16. The Juniors are practicing every day for these events and will no doubt spring a number of surprises on the Seniors.

The summary of Monday's matches in the Seniors' Tournament follows:

Doubles Tournament.

First Round—McKell and McCahill defeated Downes and D. Redifer, Jr., 6-0, 6-1; W. W. Fretz and R. I. Fretz defeated Hartley and Sefton, 6-0, 6-2; Hall and Pattison defeated E. Warwick and W. W. Evans, 9-7, 6-1; Sharp and Fenno defeated J. G. Allen and M. C. Allen, 6-3, 6-4; L. Warwick and Muschamp defeated Follin and Glose, 6-2, 2-6, 6-3; Kirkpatrick and Staples defeated Smedley and Simpson, 6-2, 6-0; Grugan and Newell defeated Bailey and Cameron, 6-0, 6-2.

Second Round—Newell and Grugan defeated Williams and Whitney, who drew a bye in the first round, 6-2, 6-2; Fretz and Fretz defeated McKell and McCahill, 6-1, 6-4; Pattison and Hall defeated Sharp and Fenno, 6-3, 6-4; Kirkpatrick and Staples defeated L. Warwick and Muschamp, 6-4, 6-4.

Semi-Finals—Fretz and Fretz defeated Pattison and Hall, 6-4, 4-6.

6-2; Kirkpatrick and Staples defeated Newell and Grugan, 8-7, 6-4.

Consolation Tournament

First Round—Allen and Allen defeated Bailey and Cameron, 6-4, 6-4; Smedley and Simpson defeated Hartley and Selton, 6-3, 6-0; E. Warwick and W. W. Evans defeated Downes and D. Redifer, Jr., 6-1, 6-2; Williams and Whitney defeated Follin and Glose, 4-6, 6-4, 6-4.

Second Round—Allen and Allen defaulted to Smedley and Simpson at end of 14th game of 3rd set, because of illness of M. C. Allen, the score of match at time of default, 1-6, 6-4, 7-7, the Smedley and Simpson being the first mentioned.

Baseball Team Barred from Field

END OF FIRST HALF FINDS NARBERTH WITHOUT HOME GROUNDS

Will Narberth be able to play baseball for the rest of the season?

This question is being asked by many enthusiastic rooters. The crowd which went up to the School diamond last Saturday found that the School Board had barred the team from the field, and that the game had to be played elsewhere.

The baseball game on July fourth has always been one of the big features of Narberth's celebration of the day. Last Monday the game could not be played.

The action of the School Board, we understand, has resulted from a protest made by one or two residents living near the field, who object to the danger of foul balls.

The knowledge that the loss of the field was impending has hurt the spirit of the team all season, and has made it hard for them to enlist the proper support.

The loss of the field, and the forfeiture of the Wayne game last weekend formed the culmination of a poor season during the first half. The second half starts next Saturday with Ardmore scheduled to play at Narberth. Will the game be played?

We have received several inquiries about this situation, and many friends of Narberth's baseball team wish definite information about the prospects for future games.

We trust that those interested will write Our Town and bring the actual facts to light for the benefit of our many baseball fans.

Tennis Players Given Ratings

TOURNAMENT COMMITTEE INTRODUCES PLAN WHICH WILL LEAD TO SOME INTERESTING MATCHES—OTHER TENNIS NOTES.

The Tournament Committee of the Narberth Tennis Association has introduced what might be called "The All Summer Rating Tournament." As a result there will be some mighty interesting matches in singles among the various members during the remainder of the season.

The ratings are based on the results of last year's Singles Tournament, and while the Tournament Committee realizes that perhaps—for a variety of reasons, vacations, new members, etc.—the ratings do not do immediate justice to each player's ability, the method they used was the only feasible one for launching the plan.

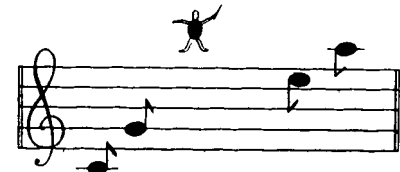

But the Committee has opened the way for every old member and every new member to "establish his right" to the position in the list to which he feels that he is entitled. Any member who is listed, if he thinks he is a better player than the member listed just ahead of him, may challenge "the man higher up" to the best out of three sets, report the result to any member of the Tournament Committee, and if said result is favorable to the challenger, his name goes up one point in the list and the "man higher up" comes down a peg.

For New Members and Old Ones Not Listed.

Old members who for any reason did not participate in last year's Labor Day Tournament, and new members, have the privilege of starting at the bottom of the list and working up, or they may apply to the Tournament Committee, which will give them a rating and a place in the list based on their playing this season.

A. T. Grugan heads the list. He was the runner-up in last year's Sin-

Narberth Choral Society

ATTRACTIVE ENTERTAINMENT AND PLANS ARE BEING MADE FOR CHORAL GARDEN PARTY

Saturday, July 16, will be a real gala day for the Narberth Choral Society, the Honorary Vice Presidents of the Society and the Choral Orchestra, also the wives and husbands of these several members of the organization who will be included in the invitation to the garden fete to be given on the grounds of Mr. Hillegas and Mr. Jacobs, on that date.

The different committees are planning amusing and entertaining games to start about 3 o'clock in the afternoon, which will be followed by a supper on the lawn about six o'clock. In the evening, special entertainment will be given in honor of the Honorary Vice Presidents and their wives, and a general reception for all participants, also an attractive short musical program in charge of Prof. Nice.

Mr. Hillegas is Chairman of the General Reception Committee; Mr. Fenno, Chairman of the Entertainment Committee; Mrs. Hillegas, head of the Supper Committee, etc., and with their numerous assistants, will promise the Choral, Vice Presidents and Orchestra, etc., a day of galaxy and fun.

The Choral wishes to publicly thank Messrs Hillegas and Jacobs for offering the use of their most attractive and spacious grounds, which are ideal for this fete, with swings, brooks, garden walks, and plenty of room for games, races, etc.

AN OASIS IN THE DESERT

A glance at the columns of Our Town during July and August leads one to believe that most of our organizations "hibernate" for the summer.

The thought of dancing on a crowded floor in July is too much for most of us;—unless we happen to be in Maine or Canada.

But now the Community Club has come to the rescue, and is going to break the monotony of the summer season by a first-class, out-of-door lawn fete, with dancing 'n' everything.

The road builders must have looked forward to this event when they built Haverford avenue, for the surface while not of waxed hardwood, is of a smooth cement, exactly suited to out-door dancing.

Which calls our attention again to the fact that Narberth is the "ALL YEAR ROUND Home Town."

KEEP COOL

Those who know tell us that the easiest way to keep cool is to forget the heat.

It is certainly true that to sit down and spend your time watching the thermometer rise is a very effective method of melting away to an infinitesimal grease spot.

There are so many shady paths and highways near Narberth that there is no excuse for sitting home to swelter.

Get out in the evening and take a brisk walk through the country. Create your own breeze. You'll soon forget the heat.

NEW FIRE TOWERS.

Harrisburg, Pa., July 8.—Major R. Y. Stuart, Deputy Commissioner of Forestry, has announced that twenty-five sites have been definitely fixed for forest fire observation towers that will be erected by the Department of Forestry this summer. Orders for fifty towers have been placed with the manufacturers. The remaining locations will

be selected by George H. Wirt, Chief Forest Fire Warden, within the next few weeks.

Major Stuart indicated the following locations of the first eighteen towers that will be put up:

Blue Knob, Bedford County; Lower Yoder, Vintondale, and St. Lawrence, Cambria County; Highland Fling, Blair County; Martin Hill, Bedford County; Tuscarora Mountain, Franklin County; Broad Mountain and Blue Mountain, Huntingdon County; Round Mountain, Mifflin County; Snow Shoe, Centre County; Loyalsock, Hagermans Gap, Cogan House, and Chemung, Lycoming County; State Camp, Clinton County; and Arnot, Tioga County.

The Department of Forestry is planning to build 168 miles of new roads and 278 miles of trails in State Forests this year. These roads and trails will enable foresters to reach fires more quickly.

A FREE SCHOLARSHIP

Any ambitious young man or woman who is a reader of Our Town, may secure free instruction in Music or Elocution.

The Ithaca Conservatory of Music, with the desire to stimulate the study of these arts, offers 100 scholarships valued from \$80 to \$600 each, to deserving applicants from any state in the Union, and which will entitle them to instruction for the term of seventeen weeks, beginning with the opening of the school year, September 19, 1921, in any of the following departments: Voice, Violin, Piano, Elocution, Band Instruments and Public School Music. These scholarships are awarded upon competition which is open to anyone desiring a musical or literary education. Anyone wishing to enter the competition or desiring information should write to Mr. George C. Williams, Secretary-Treasurer of the Ithaca Conservatory of Music, N. Y., before September 1, 1921.

NARBERTH HAS A QUIET FOURTH

Monday was the quietest and sanest Fourth of July within the recollection of "the oldest inhabitant." Quite a number of our Narberth folks were away at the shore over the holidays, but those who remained at home, behaved in a very rational way and, save for an occasional blank cartridge report and a little red fire and five or six roman candles in the evening, a good, quiet, and warm time was had by all.

Drug stores were busy serving ice cream and sodas instead of medical supplies, which wasn't a bad state of affairs for all concerned.

BIRTHDAY PARTY.

Jane Stevens celebrated her sixth birthday by entertaining twenty-five of her little friends on the afternoon of June 25th. Among those present were Regina Chappatte, Charles Chappatte, Jean Loos, Harwood Loos, Mary Torchianna, Rosalind Mellor, Agnes Torchianna, John Delavan, David Delavan, of Narberth; Peggy Van Dyke, Dean Van Dyke, Emilie Kerigan, Helen Kerigan, John Alerdice, Margaret Alerdice, Dorothy McClellan, John Cannon, Helen Cannon, Catherine Cannon and Patricia Stevens, of Merion; Josephine Roberts, of Bala; Dorothy Davis, of Philadelphia; Marie Hood, Katherine Hood, of Overbrook.

PALACE THEATRE, ARDMORE, PA.

Program week of Monday, July 11: Monday, July 11, Madge Kennedy, in "The Girl With The Jazz Heart." Episode 8, "Son of Tarzan." Tuesday, July 12, "The Furnace," featuring Agnes Ayres, Theo. Roberts, Milton Sills, Lucien Littlefield, Helen Dunbar and Mayme Kelso. Comedy, "The Dog Doctor." Wednesday and Thursday, July 13-14, Wesley Barry, the freckle-faced boy, and Colleen Moore, in Marshall Neilan's Funniest Show, "Dinty." Added Attraction, 2 days, Clyde Cook's best comedy, "The Guide." Friday, July 15, Elaine Hammerstein in "Pleasure Seekers." Hallroom Comedy, "The Circus Hero." Saturday, July 16, "Wing Toy," featuring Shirley Mason. Sunshine Comedy, "Who's Who." You can always see a downtown show at The Palace for a quarter of a dollar.

Community Library Shows Rapid Growth

In spite of the vacation season which has made many inroads upon the population of Narberth, the Community Library had the busiest day in its history last Friday afternoon and evening in the Y. M. C. A. lobby.

Mrs. Rich, the distributing Librarian, was in charge. She finds, in addition to receiving and disbursing books, that a great deal of her time is taken up with answering questions and comments. Everyone is pleased with the convenience of the new quarters.

The larger part of the patrons last Friday came in the afternoon. Many do not know, apparently, that the Library is also open Friday evenings, from 7 to 8.30.

Books for Nature Students.

Two new nature study books have just been added to the collection of books. They are Chapman's "Bird Life," a guide for those who are beginning bird study, and Schuyler Matthews' "Wild Flowers." This book is illustrated with many colored plates and is invaluable to those who are beginning the identification of local wild flowers and plants. Plans are forming to make nature study, both for children and adults, an important part of the library service to the community.

Devon Horse Show Realized \$25,000

LARGEST SUM YET COLLECTED ON MAIN LINE GOES TO BRYN MAWR HOSPITAL

Society Women's Work

Announcement has been made by Mrs. Archibald Barklie, of Inver House, Wayne, that the country fair department of the Devon Horse Show and country fair, which was held May 25 to May 30, realized \$25,000 for its contribution toward Bryn Mawr Hospital, which was the beneficiary of the fete.

Bryn Mawr Hospital, which was the beneficiary of the fete.

Hundreds of society women who took part in the affair are overjoyed at their success. The amount received is one of the largest donations for affairs of its kind ever achieved by society women of the Main Line.

Many interesting results were also announced by Mrs. Barklie. For instance, in the prize awards, the police dog was won by Jimmy Altemus, the young son of Mrs. B. Dobson Altemus. William H. Wanamaker, Jr., of Woodroyd, Merion, whose daughter recently became the bride of J. Howell Cummings, Jr., captured the gold mesh bag. A fitted bag was won by Paul Thompson. Edward T. Stotesbury, as was announced previously, was the highest bidder for the immense boxwood plant, which was one of the features of the fete.

Mrs. Alexander Brown, who directed the "Blue Bird" shop, where dresses, hats and such things were on sale, turned \$3,000 into the fund. Plans are already under way for next year, and that particular department of the fete will be greatly enlarged and will include lingerie and other things dear to the feminine heart.

Mrs. Henry Howard Ellison, of Villanova, who directed the children's department, the feature of which was a doll wedding, surprised herself and the remainder of the committee by turning in \$1,500. The dolls which took part in the wedding were sold, and helped to swell the fund considerably. Little Walter Jeffords got the bridegroom.

Mrs. Ellison said at the meeting, which was held at the home of Mrs. Barklie, that her end of the party was lots of fun until it came time to count receipts, which were in nickels, dimes and quarters. She found it quite a task to count \$1,500 in small change.

Proving that it was a show for everybody, and that all the attendants at the fete were interested, the committee announced that the largest single donation was only \$100, and that their fund was made up of small purchases and donations from very many persons.

City and Main Line Allied

PLAN FOR BIG PARK SYSTEM INCLUDES PROPOSED IMPROVEMENTS BY PARK ASSOCIATION

Takes in: Mill Creek

The first publication of a comprehensive park plan for the Main Line is presented by the City-Parks Association of Philadelphia in its combined thirty-first and thirty-second annual reports, just printed.

Also breathing places are proposed for all parts of Philadelphia.

The plans were prepared by Frederick Law Olmstead and Arthur C. Comey. They advocate the immediate acquisition of Kirkbride's and the valleys of Tacony Creek, Pognessing Creek, Pennypack, and Cobbs Creeks as natural parks, and the opening up in all sections of Philadelphia of small parks or playgrounds. The combined report argues the advantages of acting on those matters at the earliest possible moment.

Improvements of the banks of the Schuylkill is among the activities urged upon the present administration, and many other matters of moment to the welfare of Philadelphia and its citizens are touched upon. There are suggestions for motor buses on the boulevards and on Broad street—possibly managed by the Philadelphia Rapid Transit Company—for new diagonals and widened downtown streets and for zoning on the Main Line and in the city. A vigorous chapter deals with the billboard nuisance.

Concerning the Main Line plan, the report urges the preservation of the valleys of Mill Creek and Cobbs Creek and the opening of local parks and playgrounds. It also urges co-operation between the Main Line district and the Fairmount Park Commission in planning the development of the portions of the Metropolitan Park system within its territory.

Messrs. Olmstead and Comey urge that the valleys of Mill Creek and Cobbs Creek be made parks, and in that connection say:

"Cobbs Creek Valley, in Haverford township, demand more immediate action than Mill Creek, for while little encroached upon at present, its landscape is in danger of being seriously injured. As an extension of Cobbs Creek Park, already in use within the city limits, it merits special consideration by the Fairmount Park Commission. It is the logical place for the only large park serving a large future community."

The importance of zoning is stressed by the two experts, and the association's report brings out the fact that "Philadelphia is rapidly losing the opportunity of being among the leaders in securing zoning regulations. As long ago as 1916 New York passed the first general zoning ordinance." The report continues:

"The experience of England has demonstrated that the building of houses at a maximum of 12 to the acre, as is done in the garden cities and garden suburbs, is a matter than enhances public health. The typical two-story, single-family houses built in solid rooms in Philadelphia will average about 40 houses to the acre. Such concentration can be avoided under zoning regulations."

In regard to the improvement of the Schuylkill embankments, the "present administration is strongly urged to seize the opportunity for the greatest improvement that any one administration could begin. This is urged not merely from the point of view of improving the appearance of the city, but also from that of improving the valuation of city property."

ELECTION LAW CHANGES

New laws and changes made to old ones will affect considerably the elections to be held this year in Pennsylvania. This being an odd-numbered year, the campaigns will not start until late, for the primary election will not be held until September 20, and the general election on November 8.

There will be no non-partisan elections. Two years ago the law providing for non-partisan elections in third-class cities was repealed and this year the non-partisan law for Pittsburgh and Scranton was repealed. The Non-Par-

tisan act for the nomination and election of Judges was also repealed this year and all Judges are now to be chosen on party tickets.

George D. Thorn, chief of the Bureau of Elections of the State Department, who has just issued his data on the elections for this year, in speaking of the repeal of the non-partisan judiciary law, said the same procedure is to be followed in the naming of candidates and electing Judges as for the nomination and election of candidates for the office of Representative in Congress.

This year there will be nominated and elected one Judge of the Supreme Court and District Judges in districts where vacancies exist or will occur on the first Monday in January, 1922. Common Pleas Court Judges will be named in those counties for which Governor Sprout recently appointed Judges after approving bills creating new Judges. New Judges were named for Dauphin, Delaware, Westmoreland and Beaver counties.

There are also to be elected this year delegates to the proposed Constitutional Convention, who will be chosen in the same manner as candidates for Congress. Each political party may nominate two candidates at the primary election, and no voter may vote for more than two candidates at the November election. The three candidates voted for at the November election who receive the highest number of votes will be the delegates.

FUTURIST STUFF.

A veil of wispy green, dulling the glow of a fading horizon. A mystery of grays. The blue-black vault of infinite space. Whispering waves, hungry, phosphorescent, conspiring. The silhouette of a ghost ship, slipping westward. A world of sky and water, silent, calm, omnipotent. Suddenly a ringing voice, distinct, commanding in tone:

"Hey, you blankety-blank, dod-rotted, blinking blank-blanks! I been up in this blatted crow's nest five hours. Where the limpin' hell's my relief?"

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses as professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

THE ECONOMIC VALUE OF BIRDS

THE ENGLISH SPARROW AS A PEST

The depredations of the English Sparrow have become so serious that the government has investigated the subject, and has issued a bulletin called, "The English Sparrow as a Pest." This bulletin, No. 493, is available on request to the Department of Agriculture, and deals with the various methods of ridding a community of this nuisance.

Most encouraging is the fact that flocks have been found to be quite local, and instances are reported of gardens that were freed of sparrows by trapping, and remained free, though neighboring gardens were still infested.

Various methods of attacking the sparrow menace are recommended by the government. The systematic destruction of their nests every ten or twelve days is helpful. But by far the best method is the use of the government bait-trap, described in the bulletin. This work should only be undertaken by adults, and those thoroughly familiar with the birds, and to be truly successful concerted effort in any community is most desirable.

There are many towns and villages in the United States that have organized bird-clubs, and rid their homes of bird enemies, and they are well repaid for their effort. Meriden, New Hampshire has become a famous bird-sanctuary, with the result that great flocks of chickadees, purple finches, cross-bills and juncos winter and feed there, and are as tame as our squirrels or pigeons.

Meantime the first step in the right direction is to send for the government bulletin, follow directions, and see to it that at least this saucy foreigner remains without the boundaries of our gardens.

TO THE DEALER THE SPOILS

"About the best game of poker I ever saw was back in the West in the '50's," related the old timer. "The cards were dealt and the pot opened for \$5. Carson and Devlin and I stayed, each man taking one card. Then the betting started. The amount was tilted back and forth a few times until there was \$10,000 in the center of the table. Devlin was betting hog wild and wound the pot up by boosting it \$2,500 with both Carson and me calling."

"And did Devlin win?" asked one of the interested listeners.

"No," chuckled the old man. "Devlin wasn't dealing."

gles Tournament and is admittedly one of the best players in the Association. But "there are others" not far behind him, and he may expect to have to do some hard playing to hold his lead. And the same may be said for holders of other positions all the way down the line.

No. 1 position in the list would have gone to Lt. Com. Van Auken, U. S. N., who won last year's Singles Championship, but for the fact that he has been assigned to sea duty and will be away for some time.

The rating list as posted on the Association Bulletin Board on Fourth of July, follows: (As the players go up and down in the list the changes in position will be noted in these columns.)

- 1—Grugan

Tennis Notes.

Any scientific society looking for

candidates to join an expedition to the Equator will find a worthy body of men, capable of standing any amount of heat, among the players who participated in the Fourth of July Tournament. Temperature on the courts on Monday not one degree less than 267!

Much to his own disappointment, and to the disappointment of others, Walter Shaw, member of last year's Doubles Championship team of Shaw and L. Warwick, was unable to play in the Fourth of July Tournament on account of an injury to his right leg.

Keep your eye on the ratings. There are going to be some changes soon!

The Board of Trustees, which has in charge the development of the new courts and grounds, is planning some very worth while improvements in the club building. It is no easy matter to finance and construct a development like the new courts, and the Trustees are moving just as fast as their financial resources will permit.

Don't forget the Juniors' Tournament for Singles and Doubles, which starts next Monday afternoon, July 11. The finals in both contests will be played next Saturday afternoon, July 16. Silver cups will be awarded the winners.

THE FIRESIDE

(Continued from page 1)

The members of the Methodist Choir and their friends are at Valley Forge today, enjoying their annual outing.

T. C. Trotter, Jr., is home from Maine, where he hooked some fine trout, salmon, and other "brands" of the finny tribe.

Mr. and Mrs. H. F. Stevens, of Haverford Avenue, entertained Mr. and Mrs. F. C. Mireau, of Doylestown, Pa., at an informal dinner Tuesday evening.

Miss Fannie Hemon, of Pasadena, California, has been visiting her cousin Mrs. Gertrude Henderson, of Dudley Avenue, for the past week, before sailing for Europe.

We noticed last week in "Musical America," one of the best and most critical musical magazines of the country, a most favorable write-up on the Narberth Choral Society.

Plenty of lemonade, ice-cream, and cake, dancing and such, at the Lawn Fete, Thursday, July 14, from 2 to 11 P. M., on Shirley Road and Haverford Avenue.

Among the 3,000 odd residents of our Borough who probably would have gone over to Jersey City last Saturday to witness the little affair between Messrs. Denupsey and Carpentier if they had had the opportunity, it seems but fair to record the fact that among the 91,000 who actually were there was Terrance Connell, John Diamond and Robert Savill.
